## **2.0 Bus Stops**

Students are permitted to have one (1) permanent pick-up and one (1) permanent drop-off location. These two locations may be different providing it is a daily occurrence and there is room on the bus. Any variance from this process is subject to the approval of the Director. Changes to a pickup or drop off location must be requested in writing to the ETBTC, a minimum of five (5) working days prior to the date of the change requested, must be permanent in nature, and are subject to the approval of the Director.

Transportation is provided from the bus stop between home (or caregiver location) and school only. Requests that students be picked up and dropped off at other locations will not be accommodated.

All bus stops will be located where deemed appropriate by the ETBTC with utmost

complete the proper ETBTC form

The ETBTC will insure that all service providers are properly qualified, licensed, insured, and operate within the applicable Acts and Regulations.

In the interests of safety and in an effort to reduce student discipline problems and vandalism on school buses, video camera surveillance systems may be placed on school buses as deemed necessary by the ETBTC, with the approval of the Director.

A set of instructions will be established and updated as necessary for distribution to the appropriate persons. These instructions shall be in the form of a pamphlet entitled “**A Guide to Student Transportation**”. Copies of this pamphlet will be available to students who use the transportation service, bus operators, bus drivers and others, on the Board website at:
