It was a very uplifting experience and she was excited to learn about the document. The document was written to include all students with a focus on the Special Needs students. The focus is to ensure the transition of children into the school system, promote student achievement, and parental involvement. A great deal of thought and research was put into this report with a focus on the family. The entry is most effective if this process if it is started one year ahead as this is very important for our Special Needs students. You can access this document through the ministry website. **SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD**

**Report No: 36**  
**Date: April 24, 2006**

**TO:** Chair and Members of the  
Superior-Greenstone District School Board

**From:** Patti Pella, Superintendent of Education

**SUBJECT:** Student Achievement Team

**Background**

The concept of the Student Achievement Team was presented to trustees at the trustee retreat and trustees were interested in strategies to mirror the process of the Turn Around project at Margaret Twomey Public School in all of the other elementary schools. Trustees indicated support for the concept of accessing funding to support this process.

The Student Achievement Team is comprised of the Superintendent of Education, the Student Success Leader, the Special Education Coordinator, the Literacy Coordinator, the VP of Numeracy and the Early Intervention Coordinator. The Student Achievement Team was formed as an umbrella group to plan professional learning opportunities that support the needs of schools and students. The main goal is to continually refocus our efforts on results that will keep our schools on a continuous path of improvement.

**Current Situation**

The Student Achievement Team has toured all elementary schools and has taken inventory of resources, specifically targeting the needs of schools in regards to their Book Rooms. School reports will be finalized

**SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD**

**Report No: 37**  
**Date: April 24, 2006**

**TO:** Chair and Members of the  
Superior-Greenstone District School Board

**FROM:** Patti Pella, Superintendent of Education

**SUBJECT:** Elementary Staffing 2006-2007

**Background**

The enrolment in the elementary panel has declined by 141.5 students between our 2005-2006 projections and our current enrolment. Many of our communities are facing significant economic situations and we expect the downward trend in enrolment to continue.

In addition to the support of the System Lead Literacy Teacher, each school will have an Intervention Teacher with release time.

**Current Situation**

Staffing our schools is extremely important to the lives of our students, teachers, administrators and school communities. Class size and school organization contribute to the positive learning environments that we celebrate in each of our schools.

In the past we have tried to avoid triple and quadruple grading. Our school enrolment numbers are sliding to a point that we need to be open to small classes with multiple grade groupings.

It is necessary to examine each elementary school in our board to determine staffing levels that will best meet the needs of our students. In consultation with our school principals and vice principals we have determined that the important staffing issues are:

- To ensure that the intervention position has some release time

**SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD**

**Report No: 38**  
**Date: April 24, 2006**

**TO:** Chair and Members of the  
Superior-Greenstone District School Board

**FROM:** John Robart

**SUBJECT:** 2006-2007 Secondary Staffing Proposal

**Background:**

Secondary Staffing is calculated as per Article 14 of the Collective Agreement between the Superior Greenstone District School Board and The Ontario Secondary School Teachers Federation. The staffing is based on the average of the two count dates (October 31 and March 31) divided by 16. This generates the figure in the 2006/2007 Classroom Teacher Row

There is a consultation process that takes place between the Principals and the Superintendent and the Assistant to the Superintendent. Through the consultation process, principals put in special requests for pilot projects or special projects which are to be considered over and above the staffing generated by the Collective Agreement.

Further to special projects, additional staffing is added to schools where there are not enough teachers to offer full program to students due to enrolment.

Additional staffing is provided to schools to support all students. The Alternative Education/Credit Recovery program is over and above the number generated by Article 14 of the Collective Agreement.

The Student Success Teacher has been funded by the ministry for three teachers this year and we are adding two more teachers so that we can meet the minimum criteria as set out by the ministry for the 2007-08 school year.

**Current Situation:**

The Secondary Staffing Proposal for 2006-2007 is included below:

	<b>GCHS</b>	<b>LSHS</b>	<b>MNHS</b>	<b>MRHS</b>	<b>NRDHS</b>	<b>Totals</b>
October 31, 2005	307.00	194.50	154.75	356.50	281.00	1,293.75

**Additional Information**

The above information does not include the following Tuition Agreement Staffing:

Marathon High School: .....0.66 FTE for Ojibway and Counselling  
Nipigon-Red Rock District High School: .....0.33 FTE for Native Studies

**Administrative Recommendations**
